Experts forced to reconsider life in the Jurassic period after new  
bones uncovered in .....

An artist's impression of the new dino discovery

This novel discovery, named  
.....  
was made by rising  
archaeological star,  
.....  
Asked to describe the new  
species' appearance, the  
plucky youngster reported,  
".....  
.....  
.....  
.....  
....."

It is believed that this  
creature lived mainly on  
.....  
Unusually, it also seems to  
have had a habit of  
.....  
.....  
.....  
Work around the dinosaur  
excavation site continues,  
with the possibility of further  
new species being  
discovered.
