

# Matching quiz

Can you match the Latin Linnaean names at the bottom of this page to these pictures? Remember, that English words can often look a bit like their Latin root words (hint, hint!). One has been done to show you how.

*mus musculus*

rattus rattus

solanum tuberosum

canis familiaris

salmo salar

equus caballus

homo sapiens

homo Neanderthalensis

felis domesticus

panthera leo

~~mus musculus~~
