

Part 1: Sort the verbs in the word cloud below into the correct boxes: past, present or future.

it was raining
they will eat
I ran
can you see?
he is going to help
I will try
he gave up
I was running
we were walking
did you hear?

PAST	present	FUTURE

Part 2: Turn the verbs in these sentences from past perfect into past progressive (past continuous). The first one has been done to show you how.

1. I ran through the park. *I was running through the park.*
2. The teacher showed me how to swim front crawl.
3. He sat there, motionless.
4. The fat cat sat on the mat with a rat.
5. Did you really try hard?
6. The bus rumbled down the road.
7. Only the brave ladies danced to the crazy music.
8. I did not wind my little sister up!
9. The wind howled and the trees shook.
10. The silly hamster just didn't listen to me.
