

Teaching notes on 3.05 Unit 3 Assessment

Slide 1

Learning Objective: to recap and demonstrate what we've learned in Unit 3. This lesson will take the form of a general recap of the previous lessons in the unit, followed by a quiz to assess the pupils' knowledge.

Slide 2

A recap of these core learning points appears on mouse-click. They can be used as a discussion stimulus to see what the students recall.

Learning point 1: Adverbs describe verbs and make them more interesting

Questions for discussion: What other type of word class can you think of? [nouns, adjectives etc]. Can you give an example of an English adverb?

Learning point 2: Latin also uses adverbs

Questions for discussion: Can you remember any?

Learning point 3: Romans used to write down curses on metal *defixiones*.

Questions for discussion: Can you remember any that you saw? What did you write on your own tablet? Was it a blessing or a curse?

Learning point 4: Midas thought his golden touch was a blessing but it was actually a curse

Questions for discussion: If you could have one supernatural wish granted, what would it be?

The ten new words that the students put in their mini dictionaries also appear.
